

REFERENZEN – INTERNATIONAL

begin	Project/owner	construction	investment [Mio-Euro]	BBS – Work
2013	Low Carbon Factory Hirschmann Automotive Nantong China	New Building	10	Building concept Energy concept HVAC concept
2013	Haydar Aliyev Culture Center Baku Azerbaijan, DIA HOLDING Istanbul	New Building	600	Expertise Research of the solid fascia panels
2011	Science Center Beijing China	New Building of Museum	100	Energy concept Climate concept Sound insulation
2011	Chapel of Our Lady of Guia – Macao China	Historical Building - Restoration	5	Restoration concept
2011	Laboratory Building - Nanchang University China	New building of Laboratory and Office	5	Energy concept for the building envelope and the energy systems
2011	Jining fangyuan mining R & D technology training centre China	New office building	10	Energy concept for the building envelope and the energy systems
2010	Nanjing Dazhuang Project China	Residential	7,5	Energy concept for the building envelope and the energy systems
2010	Pavilion of Innovations Lower Saxony Germany – Anhui China within the scope of the EXPO 2010 in Shanghai	New Building	5	Complete Responsibility Realisation, Climate concept, Technical concept
2009	Office and Admin Building of Kunshan Nucleic Acid Science and Technology Park China	New office building	7,5	Energy concept for the building envelope and the energy systems
2009	German Embassy Vienna, Österreich BBR Bonn	Restoration / Revitalisation	5	Thermal physics related to construction, Building simulation, Sound insulation
2008	Chinesische Nationalbibliothek China	New Building	150	Building physics study
2008	German-Center Beijing China	New Building	5	Building physics
2008	Indoor Swimming Stadium Shandong-Rihzao China	New Building	25	Competition
2008	Hi-Tech Park, Metro Plaza Pujiang China	New Building	500	Thermal building physics, Energy concept, Climate concept
2008	Embassy in LaPaz Mexiko	New Building	20	Acquisition Physics related to construction
2008	Zhujuan-Center Shanghai China	New Building	10	Acquisition Building physics, Climate concept, Hygroscopic simulation
2008	SAS Radisson Hotel in Posen Polen	New Building	10	Acquisition Building physics
2008	Indoor Swimming Stadium Shanghai Business Park China	New Building	10	Climate study, Thermal building physics
2007	Gemini Business Bay Dubai, Vereinte Arabische Emirate	New Building	40	Building physics consulting
